ZAMSURECO-I

Zamboanga del Sur Electric Cooperative, Inc.
Gov. Vicente M. Cerilles St. formerly J.S. Alano Street, Pagadian City

16 July 2021

HON. JUNAFLO S. CERILLES
Municipal Mayor
Dumalinao Municipal Hall
National Highway, Poblacion Dumalinao
Zamboanga del Sur

Dear Mayor Cerilles:

We write with reference to your letter of 09 July 2021 signifying the proposal of the Local Government Unit (LGU) of Dumalinao to finance the implementation of the proposed electrification project at Purok Mangga, Barangay Metokong, Dumalinao, Zamboanga del Sur.

We deeply appreciate your strong support to the rural electrification program as demonstrated by your willingness to pursue (and allocate funds for) the extension of electric distribution line at the aforesaid purok.

Please be informed, however, that Purok Mangga is already included as one of the priority projects in our Total Electrification Masterplan and is scheduled for energization in the year 2021. The cost estimate, budget request, and other pertinent documents of said electrification project are already forwarded to the National Electrification Administration (NEA) for evaluation and provision of electrification project subsidy funds. Once we receive updates from the NEA on the budget request, we will immediately coordinate with your office for the implementation thereof.

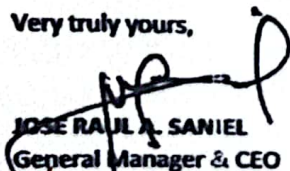

Notwithstanding the above, the funds you set aside for the electrification of Purok Mangga could still be utilized for other electrification-related projects within the municipality of Dumalinao such as: provision of housewiring materials, services drop (duplex) wires, and G.I. service poles among others to indigent electric service connection applicants.

Rest assured ZAMSURECO-I will remain steadfast in its commitment to provide safe, reliable, and reasonable electricity service to all households in the Municipality of Dumalinao considering that access to electricity supply is a major catalyst for economic growth and directly contributes to the achievement of sustainable rural development.

We fervently look forward to your continued support to the rural electrification program.

Thank you and best regards,

Very truly yours,

JOSE RAUL A. SANIEL
General Manager & CEO
