Subject: Request for Resolution to Realign Budget for Electrical Wiring

Dear Sir:

Greetings of Peace!

I, the undersigned, would like to humbly request your consideration in creating a resolution for the realignment of the Capital Outlay Vermicomposting Facility 2023 Budget

The recent developments and unforeseen challenges in the canvass of materials for the rehabilitation of electrical wiring have necessitated a re-evaluation of our financial priorities. The budget sanctioned for the MENR office for the Capital Outlay of Vermicomposting facility is Php 500, 000.00.

In line with this, may I request to realign the 2023 vermicomposting facility budget to be used for the Phase 2 rehabilitation of electrical wiring at Meco Park, Barangay Mecolong, Zamboanga del Sur. The total budget needed is Php 500, 000.00 and the realignment will provide the necessary funding to address the budget shortfall for the rehabilitation of the electrical wiring. I have also enclosed the materials needed for the said rehabilitation.

We look forward to your positive response. Thank you for your attention to this matter.

Respectfully,

NIKITA KAY S. DEMIAR

MENRO-Designate
