**RE: REQUEST FOR INSPECTION FOR FACE TO FACE CLASSES OF KAMALIG
ELEMENTARY SCHOOL**

Hon. Mayor:

Good day!

Based on the results of the monitoring conducted by our top management towards the Learning Modality that was implemented in this division amidst this global pandemic, the quality of learning of our learners especially Kindergarten to grade 3 was hampered just because this is the key stage level where the physical contact of teachers and our learners or face to face classes is very essential.

In the intervening time, Deped continues to prepare plan of action for this activity. And as part of the preparation. School Safety Assessment Tool (SSAT) has been floated to find out if the schools within our division are qualified to implement the expansion of limited face to face classes.

After an honest and transparent manner of answering the set of questions, it was found out that Kamalig Elementary School was one of the schools in this municipality that qualifies in the expansion of Limited face to face classes.

In this connection, may I humbly request your good office thru your DRRM team to conduct an ocular inspection on **April 13, 2022** to ensure that all requirements in the conduct of Limited face to face are met and that will guarantee the safety of our participating Teachers, Parents and learners. Hoping for a favorable action in my request. For a favorable response, you may also contact my number 0938-367-2295 for further information.

Thank you and God bless!

Sincerely yours,

KENNETH GEORGE R. ARANETA
School Head
